Mr. Teresa Olivier

PROVIDER ACCREDITATION NOTIFICATION

This letter serves as confirmation that **SIVILE HOUSING ASSOCIATION RSA** has been approved for accreditation by the Construction Education and Training Authority (CETA).

Your application has been evaluated and the outcome is that your company complies with the application of the National Qualifications Framework Act 67 of 2008 1 (a); (i) and (ii) and as per delegation of quality assurance functions conferred to the CETA by the QCTO.

The period of accreditation is valid from **12 August 2019 to 31 March 2020**.

List of Qualifications:

Qualification ID	Qualification Title	Level
65409	National Certificate: Building and Civil Construction	03
24273	National Certificate: Community House Building	02

The total credits of the qualification will be determined by a detailed scope the provider is accredited for and please see attached.

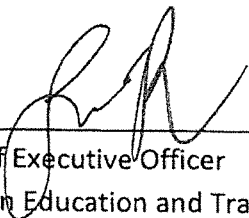

CETA will continue to monitor the standard of your training to ensure that it is in line with the Learning Pathways and Quality Development (LPQD) provisions; and as per your Quality Management Systems.

You will be contacted in this regard

In respect to your Accreditation your attention is drawn to the following LPQD provisions:

1. The CETA accepts that secondary providers can use all their recognised facilitators and registered assessors.
2. All providers are to ensure that the CETA Head office is notified of any training taking place prior to the commencement date.
3. All providers are to ensure that only learners complying with qualifications' entry requirements be accepted on accredited training; Register all learners within a week from commencement on the CETA Indicium System;
4. Register and update all learner assessments on the CETA Indicium System after the learner has been deemed competent on a specific unit standard.
5. Inform the CETA within ten (10) working days of any changes to facilitators and/or assessors employed or to the status quo that would affect the applicant's competence.
6. Allow any authorized personnel of the CETA entry to the training premises to conduct auditing and monitoring activities and to moderate internal moderation relevant to the scope of accreditation.
7. Training providers are only allowed to conduct training and assessment on CETA qualifications and unit standards for which they are accredited on by CETA.
8. Your accreditation is on the basis that your current site complies with the requirements, should the provider wish to move to a new or a satellite training site, a new application for accreditation must be submitted.

Kind Regards,

Acting Chief Executive Officer
Construction Education and Training Authority
